Request for Interest for the Sale, Removal, Transportation and Proper Use, Reuse, and/or Disposal of Water Vessels

THE WOODLANDS, TEXAS (June 21, 2018) – The Woodlands Convention & Visitors Bureau (TWCVB), which markets under the name of Visit The Woodlands, is looking for an experienced firm/professionals to who are wanting six (6) Water Vessels currently located in The Woodlands, Texas.

The Waterway Cruisers have been operating on The Woodlands Waterway in The Woodlands, Texas for the past fifteen (15) years. These Waterway Cruisers have operated out of a marina located at the corner of Lake Robbins Drive and the southbound feeder road of Interstate I-45 in The Woodlands, Texas.

TWCVB is inquiring of experienced firms/professionals in boat sales and operations who are willing to purchase the Water Vessels, bear the costs of removal and transportation, and might make use of the Water Vessels in destinations like cities, amusement venues and other destinations. Alternatively, TWCVB is inquiring of parties or who specialize in purchasing and salvaging similar boats or who would be willing to safely remove, transport and dispose of the watercraft at their cost.

Submissions for Request for Interest and Information must be received no later than 4 p.m. on July 31, 2018. Please send questions in email at info@visitthewoodlands.com to the attention of Nick Wolda no later than 4 p.m., July 25, 2018.

The complete [Request for Interest is available online](#).
