Trash and recycling services not impacted by holiday weekend

THE WOODLANDS, TEXAS (June 28, 2019) – The Woodlands Township reminds residents that trash and recycling services in the community will occur as usual over the 4th of July holiday. There will be no interruption or delay of trash, recycling, yard trimmings or Simple Recycling (textiles) services due to the holiday. All services will be provided on regular service days, including Thursday, July 4, 2019.

Whether staying at home or attending a community event on the Fourth, residents are reminded to recycle all plastic bottles and aluminum cans! Watch for the green flags that designate recycling locations at all Township events on the 4th of July. Just like home, always empty the liquid contents before placing bottles and cans in the recycling containers provided. Put trash in its place, and help to keep recycling working! Please, NO plastic bags, food or other trash in recycling containers, at home or away.
