Tech Free 4 Me Driving Pledge

This pledge is to serve only as a friendly reminder of safe driving tips

I agree:

- Distracted driving deaths are 100% preventable
- Hands free is not risk free
- It is imperative to focus on driving to keep our community and loved ones safe

I pledge:

TO NOT TEXT AND DRIVE

TO NOT TECH AND DRIVE – including Snapchat, Facebook, Instagram, email and other social media

TO LOCK IT UP – putting my phone on Do Not Disturb so I can stay alert and focus on driving

TO SET UP BEFORE I DRIVE – to set GPS and music before I begin to drive

TO DESIGNATE A PASSENGER – to help answer calls and respond to texts

TO LEAD BY EXAMPLE – for those who are influenced by how I drive

TO SPEAK UP AS A PASSENGER- if I see the driver is distracted

TO SPREAD THE WORD about the dangers of texting and driving
