

THE WOODLANDS 2019

# Holiday Lighting and Decorating Contest

Each village association coordinates their own contest, including dates and publicity, with support from The Woodlands Township and The Woodlands Fire Department.

To enter the contest, just decorate the outside of your home for viewing by the judges during the month of December. *Please Note: Decorations may be left up for the month, but should not be up longer than six weeks total.*

There are usually two categories: Best Home in the village and Best Neighborhood in the village. A neighborhood is broadly defined as a few homes located in close proximity, or an entire cul-de-sac or subdivision. Best Home prizes include a yard sign and plaque. A yard sign and other prizes are usually awarded to Best Neighborhood.

Members of each village association serve as contest judges. The selection of winners is left to the sole discretion of the judges. Please check your village association's website for more details about your respective village.

Each village association will coordinate their own contest, including dates and publicity, with support from The Woodlands Township and The Woodlands Fire Department.
